Dear Parents and Carers

Parking

We would like to remind everyone that parking is not permitted in front of the car park gates. The gates are used for emergency access and parking there presents a danger to our children.

Parents' Evening

Parents' evening is on the 14th March. This is an opportunity to collect your child's report and also help us make improvements by completing one of our questionnaires. We look forward to seeing you there.

Science Week

Science Week is next week and the children will be taking part in science-related activities each day. As part of this, we would like to welcome parents to visit The Spon Gate Primary Science Museum on Friday 16th March at 9am. This will mean the usual Friday morning assembly for that week will not go ahead.

Football Team at Regional Finals

Following on from the success in the local EFL Kids Cup, our football team represented Coventry at the Regional Finals at Stanley Park, Chippenham. The team competed brilliantly but were unfortunate not to progress to the National Finals. Each and every member of the team did our school proud and represented the city admirably.
