

YEAR 3 CHINA HOMEWORK PACK

ARTS AND CRAFTS

Make a Chinese fan using the following materials:

- A piece of paper about 1m by 20cm
- Two lolly sticks
- PVA glue
- Sticky tape
- Colouring pens

SCIENCE

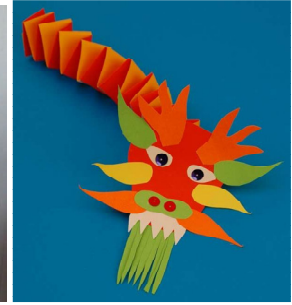

Can you use your hands and a light source to make the shadows of the different animals from the Chinese zodiac?

How can you make the animals bigger or smaller?

ARTS AND CRAFTS

To celebrate Chinese new year create a Chinese dragon. Here are some examples:

SPORT

Children in China love to play sport. The most popular sports are basketball and table tennis. Why not visit the local park or sports centre and play a game.

FOOD

In China people normally eat their food using chopsticks. Why not challenge yourself to eat your own food using a pair of chopsticks!

Lots of people in England like eating Chinese food from the takeaway. Have a look at a menu and maybe choose a few items that you like the sound of! My favourite is Spring Rolls 😊

WEBSITES

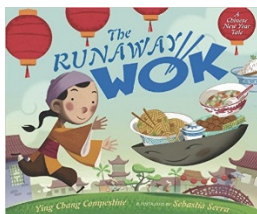

Check out these websites to find out more about China:

<https://www.theschoolrun.com/homework-help/china> Lots of information and facts about China

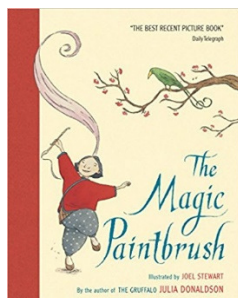

<https://www.activityvillage.co.uk/china> Crafts, stories and games
