

Primary Schools Sports Premium Report 2014 – 2015

Background

The Government is providing funding of £150 million per annum for academic years 2013/14 and 2014/15 to enhance PE and Sport in Primary Schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children / develop healthy lifestyles. The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Allocation

Funding for schools has been calculated by the number of primary aged pupils (between the ages of 5 and 11). Based on a full year all schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Spon Gate received £8865 for the academic year 2014/15.

Accountability

Schools will be held to account for how they spend the sport funding. Schools must publish, on their website, information about their use of the PE and Sport Grant. Schools should publish the amount of grant received; how it has been spent (or will be spent) and what impact the school has seen on pupils' PE and sport participation and attainment as a result, to help to ensure that all pupils develop healthy lifestyles.

Summary of Primary Schools Sports funding 2014 - 2015

Objectives of spending Primary Schools Sports funding

- To improve the provision of PE (upskilling of staff)
- To increase participation in after school clubs and competitive sports
- To broaden the sporting opportunities and experiences available to pupils

Money granted to spend in financial year 2014 – 2015:

£8865

<i>Expenditure</i>	Cost	Objectives	Outcomes
50% towards wages of HLTA for Sport and PE	£8,000	<p>To improve the provision of PE. The HLTA has this year worked alongside teachers to deliver PE lessons and offer support and guidance in planning a sequence of lessons.</p> <p>All teachers have been given release time to work the HLTA in order to develop their skills in planning and delivering PE.</p> <p>To increase participation in after school clubs.</p>	The HLTA has provided valuable assistance to teachers and helped them to gain a better understanding and more confidence in the planning and delivery of PE. Staff are now confident in both the planning and delivery of PE. (see below for more information). Planning now centralises around the development of skills leading to application in producing routines or participating in a competitive environment. Children are also learning about rules, tactics and sportsmanship through their lessons
Minibus hire for external competitions	£40 per hire x14 = £560	To increase participation in competitive sports. Throughout the year minibuses have been hired to attend a variety of sporting competitions and activities (see below for more details).	The hire of minibuses has allowed children to attend tournaments which they would have previously not been able to attend. Children have greatly enjoyed these experiences. We are becoming much more accustomed to winning rather than losing!
Coach hire for class swimming lessons and payment for	£75 a week x36 weeks = £2700 Revenue budget	To improve the provision of PE. Children in year 3 and 4 have attended swimming lessons on a weekly basis to develop their swimming skills and water safety.	All children in years 3 and 4 have acquired at least their 5metre badge in swimming with many being able to swim to 10m and beyond. In achieving these feats many children have shown great perseverance as many of them had no previous experience of swimming.
PE courses attended by HLTA	£25 x 2 = £50	To improve the provision of PE. The HLTA has attended courses in Outdoor Activities and Adventure and Dance as these were identified as areas for development.	The HLTA has gained valuable knowledge and ideas from these courses. In turn he has shared this information with other staff and used it to help the planning and delivery of lessons.

Subsidised price for Aegon Classic Tennis competition	£2 per child x30 = £60	To broaden the sporting opportunities and experiences available to pupils. To provide children with the opportunity to watch professional tennis players competition in a tournament and to receive training from a LTA coach.	The children really enjoyed the opportunity to watch live professional tennis and to take part in the training session. This trip will be repeated next year.
Annual subscription to the Coventry Primary Schools Sports Association	£30	To broaden the sporting opportunities and experiences available to pupils. To increase participation in competitive sports. The annual subscription allows entry into a variety of competitions including basketball, cricket, rounders, swimming and football.	Children have enjoyed taking part in the different competitions organised by the CPSSA. In addition to this they have learnt professional rules for games such as rounders and basketball.
Subscription to the Hoops for Health basketball competition.	£40	To increase participation in competitive sports. Subscription has allowed children the opportunity to take part in external competitions against other schools.	Year 5 and 6 children have enjoyed taking part in the Hoops for Health tournaments. After winning our group we went onto play in the Coventry finals and finished 3 rd out of 6 teams!
Support Sport	£15 a session X 10 weeks £150 Revenue budget	To broaden the sporting opportunities and experiences available to pupils. Support Sport delivers a multi sports after school club once a week and a playmakers course for Year 4 and 5 children.	The after school club and playmakers course took place in the Summer term. This allowed children to develop vital leadership skills which they will use from September in activities with younger children during lunchtimes.
External competitions provided by Coventry Sports Foundation.	£30 a tournament x2 = £90	To increase participation in competitive sports.	As with all external competitions children have enjoyed taking part and representing their school. A group of Year 3 children were delighted when they won the bench ball competition!
Total spent to date:			£8790
Money left to spend in financial year 2014 – 2015:			£35

Impact of primary school sports funding 2014/15 (September 14 – September 15)

Upskilling

Spon Gate have used the majority of the Primary Schools Sport Premium grant to employ a HLTA (Ross Kelly) in PE. This year the HLTA has worked with members of the teaching staff to improve their skills and knowledge in order to enhance the provision of PE. The decision to utilise the HLTA in this way was due to a whole staff PE skills and knowledge audit carried in July 2014.

During the Autumn term, class teachers and TAs supported and observed good practice during PE lessons which Ross delivered. Before Christmas, teachers worked in collaboration with Ross to plan together a series of PE lessons for the Spring term. These lessons were then subsequently taught collaboratively. In the Summer Term, teachers independently planned and delivered 1 hour of the PE curriculum with Ross delivering the other hour during PPA. Throughout Ross has offered support, advice and subject knowledge to teachers who have requested it. The success of this upskilling is evident in the most recent PE skills and knowledge audit, taken in September 2015.

As well as being utilised to help upskill other members of staff, Ross has continued to provide a range of lunchtime and after clubs activities as well as holiday clubs.

Participation

In the 2013-2014 academic year 128 (59%) of 216 pupils attended sport clubs funded by sport premium funding. This year 145 (68%) of 212 pupils have attended sport clubs funded by sport premium (Ross Kelly and Support Sport). Clubs offered at Spon Gate this academic year have included:

- KS2 Hockey
- KS1 Multi Skills
- KS2 Netball
- KS2 Multi sports
- KS1 Football
- KS2 Football
- Year 5/6 Girls football
- Year 5/6 Dance
- Year 5/6 Girls Rugby
- KS2 Tennis
- KS1 Athletics
- Wii Dance
- Football for years 3 & 4

The percentage of pupils in each year group who accessed after school clubs are:

Year 6: 86%

Year 5: 79%

Year 4: 79%

Year 3: 73%

Year 2: 52%

Year 1: 51%

Competition

Sport Premium has been used to provide transport to a wide range of sporting competitions and tournaments. We have used competitions to programme our after school clubs and curriculum delivery, this has enabled pupils to have the opportunity to practice and develop skills before using competing against other schools. We have entered a wide range of Sainsbury School Games events, tournaments organised by Xcel Leisure centre and further competitions offered by other providers. Competitions that Spon Gate has entered this year include:

Sainsbury's school games

- Year 1 and 2 multi skills
- Year 4 quad Kids
- Year 6 sportshall athletics
- Year 5/6 netball
- Year 6 rounders
- Year 6 hockey

Xcel leisure centre

- Year 1/2 multi skills
- Year 3 benchball
- Year 5/6 tennis

Other

- Year 5/6 Hoops for Health Basketball
- Year 5/6 football matches
- Coventry half marathon (KS2 children)

By entering such a wide range of events 83 (39%) of 212 pupils have represented Spon Gate in external competitions. In addition to this, 100% of children in Year 1, 2 and 4 have taken part in 'virtual' inter-school

athletic competitions where their results were recorded in school and then they were ranked against the performance of other schools.
